

Attention all social workers!! Claim your PiP Requirements

Did you know you can use this workshop to gain credits within the PiP Framework? Use your learning from the workshop to submit via the PiP Credit Accumulation Route:

Credit Accumulation Formula 2 + 1

**1 hour learning activity
& a brief reflective analysis = 2 credits**

Demonstrate the impact of your learning i.e. what you have done with it and you can claim an extra credit per hour. Therefore:

**1 hour of learning activity
+ brief reflection + impact = 3 credits**

One day (e.g. 6 hrs) with **Nexus** could gain you 18 credits which can then contribute towards a PiP Requirement.

Line Manager Verification is required to complete your claim (s).

100 credits = a PiP Requirement.

**Credits can be logged by visiting NISCC online
www.nisconline.hscni.net**

For further information contact your agency PiP Representative or visit the NISCC website: **www.niscc.info**.
